WELCOME
TO THE EDEN
HEALING
DEPARTMENT

Thank you for taking some time to peruse our range of treatment offerings, designed with the intention to support an enriching and transformative experience during your time here with us.

Here at EDEN we prefer to work with a core and dedicated team of highly qualified therapists, each of whom bring their unique skills and qualities to each and every session.

We endeavour to schedule your treatments in a way that will allow you to experience as much of our program as possible during your stay. Please see one of our Treatment Coordinators should the need arise for any questions pertaining to your treatment scheduling.

The Reflection Room is a space for you to arrive, relax and perhaps enjoy a cup of herbal tea before your session. Please arrive 10 minutes prior to the commencement of your session to allow yourself the best opportunity to be relaxed, comfortable and ready to receive.

Our Commitment

As a valued guest we commit to providing you with the very best of service and range of treatments from our dedicated team of professional therapists.

We look forward to assisting you on your journey to health, wellness and relaxation whilst you are here with us.

Pause your Life if you need to,

Care for yourself lovingly,

Do not ignore your rest,

Slow down so you can

Take a deep breath

EDEN ESSENTIALS

EDEN RELAXATION MASSAGE

| 55 MIN | \$125 |

A soothing relaxation massage for those simply needing some time to rest and replenish. Offered as a full body treatment or tailored to suit your needs, your therapist will intuitively guide the body to release stress, calm the mind and restore balance in a supportive and nurturing way.

Nourishing, grounding and replenishing for body, mind and spirit.

EDEN DEEP TISSUE MASSAGE

| 85 MIN | \$185 |

Using firm pressure and a focused approach, your therapist works to release tension held in the deep structures of the body to aid in the restoration and healthy function of muscles, fascia and connective tissues. This approach can be particularly effective where a remedial approach to injury or pain would be beneficial. If you have particular areas that need working on, your therapist will be happy to address your specific needs.

Supporting deep release and relaxation.

EDEN SOOTHING HEAD MASSAGE

| 55 MIN | \$135 |

Using soothing massage techniques and warm organic coconut oil, your therapist will massage the head, neck and shoulders to release physical tensions and relax the nervous system with pressure point therapy to calm the mind. Deep relaxation is possible and this treatment has been known to assist in the alleviation of mental stress, headaches, migraines, insomnia and the symptoms associated with a busy, tech-heavy lifestyle. You will feel replenished and more at peace within yourself.

A beautiful invitation to quieten the mind.

EDEN ESSENTIALS

EDEN HOT STONE MASSAGE

| 85 MIN | \$185 |

Your therapist will gently massage you with a combination of warm hands and heated volcanic stones that have been smoothed by the passage of time. Hot stones are then placed on energy or 'chakra' points to provide deep muscular relief and rebalancing.

Let the earth support you to loosen, warm and relax your body.

EDEN REFLEXOLOGY MASSAGE

| 55 MIN | \$125 |

The EDEN approach to reflexology is both therapeutic and relaxing. Using pressure point therapy and nourishing massage techniques, your feet become the doorways to your entire body. Assessment of specific reflex areas and their correlation to organ and meridian function is possible and your therapist may advise you on areas that may deserve further inquiry. If you would like to just zone out and ponder your toes, please let your therapist know at the start of your session.

Feel anchored, grounded and energised.

EDEN ABDOMINAL HEALING

| 55 MIN | \$125 |

The EDEN Abdominal Healing works directly with the abdominal region to relieve physical, energetic and emotional blockages to improve wellbeing. A healing and nurturing therapy, this massage has amazing benefits to the gastro-intestinal and uro-gential systems of the body.

This treatment is excellent for those who experience bloating, post pregnancy restoration, sluggish digestion and conditions relating to the reproductive health. Supportive of detoxification for the entire body, the effects of this treatment can vary as your system rebalances and organ function returns.

EDEN ESSENTIALS

FLUID BODY

| 85 MIN | \$185 |

A remedial yet deeply relaxing full body treatment. Effective at breaking up neuromuscular holding patterns that cause pain, tension and reduced mobility. These patterns can be generated by injury, poor posture and stress. Using a fluid like movement throughout the body at varying depths, this massage can alleviate your discomfort and support you to feel more symmetrical and strong with improved mobility and a sense of calm.

Feel grounded and light within your physical and mental well-being.

KA HUNA BODYWORK

| 110 MIN | \$245 |

Ka Huna Bodywork at Eden is a very special experience. This rhythmical style of bodywork uses flowing hands and forearms to restore balance to body, mind and heart. A beautiful treatment that is both therapeutic and deeply relaxing which may include soft and deep tissue massage, joint rotations, stretches, prayer, music and breath to reconnect, release and relax.

The true power of this treatment lies in the synergy of body and spirit, held in a space of 'Aloha' - unconditional love and support.

A healing experience that reconnects you to the heart of your being.

ZENTHAI SHIATSU

| 85 MIN | \$185 |

Zenthai Shiatsu is a fusion of traditional therapies, incorporating proven techniques to support the body to unwind through rhythmical movement, stretching and point therapy. Zen Shiatsu, Traditional Thai Massage and Osteopathic Techniques are woven with Oriental Philosophy to provide a holistic treatment that is beneficial to all systems of the body including musculoskeletal, digestive and nervous systems.

Structural and Energetic Therapy performed fully clothed on a comfortable mat on the floor.

EDEN SPECIALTY AND HEALING

KINESIOLOGY

| 85 MIN | \$185 |

A gentle treatment using muscle testing to investigate and recalibrate your physiology on all levels - nutritional, emotional, energetic, mental and physical. Aiming to seek out the core of a wide range of symptoms including; pain, anxiety, depression, fatigue, addiction, digestive and sleep concerns, immunity, feeling disconnected or 'off track'.

Altering your perspective can alter your experience.

MUSCLE BALANCING

| 85 MIN | \$210 |

Muscle Balancing is a corrective therapy where the body is assessed for muscular, structural and movement imbalances/dysfunctions to determine the source of pain or restriction. Throughout the session, a combination of corrective massage, fascial stretching, deep breathing, osteopathic and holistic movement techniques are used. By proportionally evening out muscle tension between the left and the right sides, or the front and the back, the body supports the spine and other bone structures (joints), automatically improving posture, taking pressure off irritated muscles, and nerves... ultimately eliminating pain!

COLON HYDROTHERAPY

| 50 MIN | \$160 |

Colon Hydrotherapy is an effective and gentle way to cleanse the colon of excess waste and toxins that can accumulate in the body over time. Having a colonic is a safe and relaxing procedure that cleans and tones the colon, encouraging natural peristaltic action, elimination of waste matter and can increase energy levels. Warm filtered water is used to gently wash and clean the bowel, leaving you feeling clear and energized.

* Colonic Hydrotherapy is not recommended if you have any of the following - inflamed haemorrhoids, inflamed diverticulitis, Crohn's Disease, inflammatory bowel disease, abdominal hernia, recent abdominal or colon surgery, cirrhosis, severe anaemia, early stages of pregnancy (before 16wks).

EDEN SPECIALTY AND HEALING

ACUPUNCTURE

| 55 MIN | \$160 |

Your consultation begins with pulse and tongue diagnosis to gather relevant information from your health history and gain further understanding of your body's current condition

Based on this information and your desired outcome, fine acupuncture needles, glass cups or moxibustion will be utilised to clear blockages, encourage normal flow of Qi and address any health concerns.

Acupuncture is a holistic medicine that supports your digestive system, mental health, skin, immune system and reproductive health.

FACIAL RENEWAL ACUPUNCTURE

| 80 MIN | \$260 |

Facial renewal acupuncture is safe, painless and effective treatment for renewing the face as well as the whole body. Fine lines maybe entirely erased, deeper lines reduced, and your skin will glow.

Powerful Chinese medicinal herbs are used to cleanse, hydrate and restore your skin, providing plump glowing skin.

Fine needles are placed at a variety of acupuncture points on the face, around the eyes and body to stimulate the body's natural healing energy. Muscle groups can be toned with the acupuncture points which allows the face to lift naturally. The needles also stimulate blood circulation which will improve the tone of the face giving you that inner glow.

HARMONIC FACIAL

| 80 MIN | \$230 |

The face is an amazing topographical map that reveals personality, past experiences, future potential and what is going on inside the body.

This treatment begins with Traditional Chinese Medicine facial diagnosis to reveal the emotions held on the face. Your therapist will then select energetic infused medicine to begin the emotional transformation followed by acupuncture body points and vibrational tuning forks to enhance the healing. Gentle facial massage, rejuvenating Gua Sha will boost collagen, enhance the flow of lymphatic tissue leaving reduction of tension.

This is a powerful yet gentle transformational healing technique to help release what we hold onto tightly in the face and body to create a safe sense of awareness and wellbeing. This treatment is beneficial for anyone who wants to learn the ancient wisdom of facial features and reduce severity of permanent facial lines by releasing long-term held emotion.
