WELCOME TO EDEN HEALTH RETREAT'S HEALING AND THERAPIES DEPARTMENT

Thank you for taking the time to peruse our range of treatments available to you during your stay at Eden Health Retreat. Each treatment and session is designed to support your enriching and transformative experience during your time here with us.

At Eden we work with a passionately dedicated team of highly qualified therapists. Each member of our healing and therapy team brings their unique skills and qualities to your session. Please see one of our Treatment Coordinators should you have any questions regarding your treatment scheduling.

The Spa Reception located in the Health and Wellbeing Centre is a space for you to arrive, relax and perhaps enjoy a cup of herbal tea before your session. Please arrive 10 minutes before the commencement of your session to allow yourself time and space to relax, be comfortable, and be ready to receive peace, tranquillity, and restoration.

Our Commitment

As a valued guest, we commit to providing you with the very best luxury service and treatment from our dedicated team of professional therapists.

We look forward to assisting you on your journey to health, wellness, and relaxation while you are here with us at Eden.

EDEN ESSENTIALS

EDEN RELAXATION MASSAGE

🕒 55 MIN | \$200

A soothing relaxation massage for those needing time to rest and replenish their mind and body. Offered as a full-body treatment or tailored to suit your needs, your therapist will intuitively guide your body to release stress, calm the mind, and restore balance in a supportive and nurturing way. It is nourishing, grounding, and replenishing for body, mind and spirit.

AROMATIC SALT GLOW

🕒 55 MIN | \$200

Feel the stress melt away as your skin is buffed with a blend of mineral salts and warm fragrant oil to remove dead skin cells and impurities.

The salts are removed with therapeutic hot towelling to reveal fresh invigorated skin, finishing with an organic full body hydration.

Aids detoxification, stimulates the lymphatic system and leaves the whole body feeling energised and radiant.

EDEN ESSENTIALS

EDEN REFLEXOLOGY MASSAGE

🕒 55 MIN | \$200

The Eden approach to reflexology is both therapeutic and relaxing. Using pressure point therapy and nourishing massage techniques, your feet become the doorways to your entire body. An assessment of specific reflex areas and their correlation to organ and meridian function is explored. Your therapist may advise you on areas that could deserve further inquiry. If you would like to zone out and ponder your toes (or drift off to sleep), your therapist will ask you at the beginning of your session whether you would like to turn off and relax, or receive a diagnosis throughout.

EDEN ABDOMINAL MASSAGE

🕒 55 MIN | \$200

The Eden Abdominal Massage treatment works directly with the abdominal region to relieve physical, energetic and emotional blockages to improve wellbeing. This is a healing and nurturing therapy which has amazing benefits to the gastrointestinal and urogenital systems of the body. This treatment is excellent for those who experience bloating, require post-pregnancy restoration, have sluggish digestion and/or experience conditions relating to reproductive health. Supporting the detoxification of the entire body, the effects of this treatment can vary as your system rebalances and organ function returns.

EDEN ESSENTIALS

EDEN SOOTHING HEAD MASSAGE

🕒 55 MIN | \$200

Using soothing massage techniques and warm organic coconut oil, your therapist will massage your head, neck and shoulders to release physical tension and relax the nervous system. The therapist will also use pressure point therapy to calm the mind while the hair receives a nourishing hair treatment. Deep relaxation is possible and this treatment has been known to assist in the alleviation of mental stress, headaches, migraines, insomnia and the symptoms associated with a busy, tech-heavy lifestyle. You will feel replenished and more at peace within yourself. A beautiful invitation to quieten the mind and nourish the body.

EDEN SIGNATURE FACIAL

🕒 85 MIN | \$250

This chakra-balancing facial is the ultimate treatment for reducing stress and improving your skin's health. The mind and body connect and relax, and you will be guided to choose your personal essential oil blend for the session. Feel grounded as we use the healing benefits of chakra stones, which are placed on specific energy centres of the body. You will then receive the full benefit of our organic facial, complemented by a face lifting massage. While in a deep state of rest, your feet and legs are massaged with essential oils. Lean deeper into relaxation as you are taken through a 1:1 sound immersion. This is a full sensory experience to nurture, align and renew.

EDEN ESSENTIALS

EDEN HOT STONE MASSAGE

🕒 85 MIN | \$275

Your therapist will gently massage your body with a combination of warm hands and heated volcanic stones that have been smoothed by the passage of time. Hot stones are placed on energy or 'chakra' points to provide deep muscular relief and rebalancing benefits. Let the earth support you in loosening tight muscles, warming your spirit, and relaxing your body.

DEEP TISSUE MASSAGE

🕒 85 MIN | \$275

Using firm pressure and a focused approach, your therapist will work to release tension held in the body's deep structures to aid in restoring the healthy function of muscles, fascia, and connective tissues. This approach can be particularly effective where a remedial approach to injury or pain would be beneficial. If you have particular areas that need working on, your therapist will be happy to address your specific needs. This wonderful treatment supports the deep release of tension and pain and encourages relaxation.

EDEN ESSENTIALS

KA-HUNA BODYWORK

🕒 110 MIN | \$375

Ka-Huna Bodywork at Eden is a special experience. This rhythmical Hawaiian style of bodywork uses flowing hands and forearms to restore balance to the body, mind and heart. A beautiful treatment that is both therapeutic and deeply relaxing; it may also include soft and deep tissue massage, joint rotations, stretches, prayer, music and breath to reconnect, release and relax. The true power of this treatment lies in the synergy of body and spirit. A healing experience that reconnects you to the heart of your being.

EDEN VITALITY

O2 BREATHING AND MEDITATION CHAIR

01 session \$35 | 03 sessions \$90

The O2 Breathing & Meditation Chair offers a transformative experience, guiding you to breathe consciously, slowly, and deeply. This process enhances both physical and mental well-being, promoting relaxation and stress relief. As you sit in the chair, you'll feel a gentle warmth enveloping you, while the chair massages your body. Through guided breathing and meditation exercises, the chair helps you achieve a state of deep relaxation and rejuvenation. The O2 Chair is designed to enhance your overall health and vitality, providing a sanctuary where you can unwind, recharge, and reconnect with yourself.

INFRARED SAUNA

01 session \$35 | 03 sessions \$90

Indulge in the therapeutic benefits of our Infrared Sauna, designed to enhance your well-being and rejuvenate your body and mind. The deep heat of the sauna can help relax muscles and relieve tension, providing relief from pain and inflammation. It is also known to improve circulation as the heat increases blood flow throughout the body. Sweating in the sauna helps flush out toxins and impurities, supporting the detoxification process. It can induce a sense of relaxation and stress relief, calming the mind and body. Experience the healing power of our Infrared Sauna and embark on a journey to improved health and vitality.

EDEN VITALITY

LUTRONIC HEALITE II LED PHOTOTHERAPY

01 session \$55 | 03 sessions \$150

To further elevate your experience at our Vitality Centre, consider enhancing any other session or opting for a stand-alone treatment with the Lutronic Healite II LED Phototherapy system. This advanced therapy harnesses the power of red and yellow light, offering a myriad of benefits that elevate overall well-being, plus aiding in recovery. It not only stimulates cellular activity, accelerating tissue and wound healing but also reduces inflammation, alleviating discomfort and supporting the body's natural healing process. Both red and yellow light therapies promote collagen production, enhancing skin texture and diminishing signs of aging. Plus, exposure to these therapeutic lights can uplift mood and energy levels, contributing to a profound sense of vitality and wellness.

ZEROBODY DRY FLOAT THERAPY

01 session \$55 | 03 sessions \$150

ZeroBody offers a revolutionary and patented system that enables floatation in a state of zero gravity in a soothing 400 litres of warm water. This innovative technology is proven to be incredibly effective in helping individuals reach their parasympathetic recovery state. Activation of the parasympathetic nervous system (PSNS) through the ZeroBody experience results in a range of beneficial physiological effects. These include slowing of the heart and breathing rates, reduction of blood pressure, and promotion of digestion. As a result, the body enters a deep state of relaxation and recovery. By immersing yourself in the ZeroBody experience, you can enjoy unparalleled relaxation and rejuvenation, allowing your body and mind to unwind and recover from the stresses of daily life.

EDEN VITALITY

CRYOTHERAPY

01 session \$75 | 03 sessions \$165

Cryotherapy is a cutting-edge wellness treatment that offers a wide range of benefits. By reducing inflammation in the body through the stimulation of messenger signals, Cryotherapy can provide relief from pain and swelling. Additionally, it can improve circulation and boost metabolism, leading to an increase in the body's resting metabolic rate. In terms of beauty benefits, this process can stimulate collagen production, resulting in firmer, more youthful-looking skin. The cold exposure during the session can also trigger the release of feel-good hormones, such as endorphins, which can help reduce stress and improve overall mood. Overall, Cryotherapy is a versatile treatment that can enhance both your physical and mental well-being, making it a popular choice for those looking to optimise their health and appearance.

AIRPOD HYPERBARIC OXYGEN CHAMBER

01 session \$75 | 03 sessions \$165

The AirPod Hyperbaric Oxygen Chamber enhances oxygen levels by up to 35%. This heightened pressure, coupled with your treatment, allows oxygen to dissolve into the bloodstream, amplifying circulation and delivery to body tissues and the lymphatic system. The result? A sense of relaxation and rejuvenation. Hydrogen effectively tackles and eliminates harmful Reactive Oxygen Species, also known as free radicals, thwarting diseases, degeneration, and the aging process in the body. The chamber is the perfect place to read a book, take a quick nap or download a Spotify playlist or podcast to enjoy.

EDEN VITALITY **PLUS**

COLON HYDROTHERAPY

🕒 55 MIN | \$200

Colon hydrotherapy is an effective and gentle way to cleanse the colon of excess waste and toxins that can accumulate in the body over time. Experiencing colon hydrotherapy is safe and relaxing, and cleans and tones the colon, encouraging natural peristaltic action, elimination of waste matter, and can increase energy levels. Warm filtered water is used to gently wash and clean the bowel, leaving you feeling clear and energised. Please note: Colon hydrotherapy is not recommended if you have any of the following – inflamed haemorrhoids, inflamed diverticulitis, Crohn’s Disease, inflammatory bowel disease, abdominal hernia, recent abdominal or colon surgery, cirrhosis, severe anaemia, or early stages of pregnancy (before 16wks).

E D E N

At Eden Health Retreat, we are proud to announce our partnership with Biologique Recherche, a brand synonymous with French skincare excellence. Founded by the Allouche family in a Parisian research laboratory, Biologique Recherche blends biology, physiotherapy and clinical medicine to craft a skincare legacy marked by excellence, quality and passion.

With over four decades of experience, Biologique Recherche's methodology revolves around innovative products and meticulous protocols. Their raw, cold formulation ensures a high concentration of active ingredients from natural or biotechnical compounds, free from parabens, silicones and fragrance. The unique facial techniques, developed by a physiotherapist go beyond traditional skincare, focusing on facial structure, muscle health and employing non-invasive electro-muscle stimulation.

Much like our holistic approach at Eden Health Retreat, Biologique Recherche recognizes that our skin's condition fluctuates due to various external and internal factors. Their professionals analyze these variables to recommend personalized treatments, ensuring your unique skin needs are met. The 30-minute skin diagnosis with the Skin Instant Lab allows our therapists to tailor your Biologique Recherche facial, addressing specific concerns such as pigmentation, lines, acne, sensitivity, and more.

Embark on an exclusive and truly unique facial journey with Biologique Recherche at Eden Health Retreat, where our goal is to guide you toward exceptional skin health.

Warm regards,
Eden Skincare Consultants

EDEN HEALING TREATMENTS

ACUPUNCTURE

🕒 55 MIN | \$220

Your consultation begins with a pulse and tongue diagnosis to gather relevant information from your health history and gain further understanding of your body's current condition. Based on this information and your desired outcome, fine acupuncture needles, glass cups or moxibustion will be utilised to clear blockages, encourage the normal flow of Qi and address any health concerns. Acupuncture is a holistic medicine that supports your digestive system, mental health, skin, immune system and reproductive health.

ACU-FACIAL RELEASE

🕒 55 MIN | \$220

Alleviate tension held in facial muscles, neck, shoulders and scalp with combination of acupuncture, gua sha and massage. Your therapist will place acupuncture needles in your body according to your presentation followed by a deeply relaxing remedial facial massage, gua sha and facial acupuncture. Find relief from a tight jaw, headaches, sinusitis and busy mind. (Please note: acupuncture needles applied to the face are optional).

EDEN HEALING TREATMENTS

ASTROLOGY

🕒 55 MIN | \$250

Astrology places your life in context with the energy of the universe through the blueprint present at the exact moment and place of your birth. Our astrologer intuitively looks at where the planets were located when you were born and how this impacts your past, present, and future, to provide insights into what attracts you, where you place your energy, how you love, relationships, and more. This reading will allow you to understand and explore your true nature by looking deeply into your birth chart and incorporating current transits (planetary phases) to support your understanding of why you may be experiencing certain events in your life and what is in store for the future. Please note: Time, date, and place of birth are required.

AWAKEN CONSCIOUSNESS

🕒 85 MIN | \$280

Within the depths of your inner self lies a repository of memories from past emotional traumas, often manifesting in physical discomfort, digestive issues, behavioural patterns, and heightened stress responses. Experience the transformative power of transcending these barriers by liberating mental and emotional blockages while simultaneously fortifying your spirit through the age-old wisdom of esoteric acupuncture, rooted in sacred geometry-encoded patterns. This ancient art allows you to broaden your consciousness, enabling you to make choices untethered from the shackles of negative emotional experiences and reconstructing a foundation of positive response patterns in your life. Unlock the profound potential of your subconscious mind.

EDEN HEALING TREATMENTS

FLUID BODY

🕒 85 MIN | \$300

A remedial, yet deeply relaxing, full-body treatment that is effective at breaking up neuromuscular holding patterns that cause pain, tension and reduced mobility. These patterns may be generated by injury, poor posture and stress. Using a fluid-like movement throughout the body at varying depths, this massage can alleviate your discomfort and support you to feel more symmetrical and stronger with improved mobility and a sense of calm. Feel grounded and lighter in your physical and mental well-being.

EASTERN TONIC

🕒 85 MIN | \$300

Indulge in the perfect blend of ancient Chinese healing traditions with our Eastern Tonic treatment, seamlessly weaving together time-honoured techniques to offer a truly transformative experience, liberating your body from toxins, stress, and tension. With the expert touch of our practitioner, tight muscles are gently eased through a soothing massage, preparing the way for the subsequent cupping technique. This unique combination of therapies targets the release of fascia and stagnation, working in harmony to rejuvenate both body and spirit. The addition of acupuncture elevates this experience to a profound level, effectively alleviating pain and inviting deep relaxation by restoring the natural flow of energy throughout your being. Post-treatment, we recommend refraining from bathing activities like saunas, steam rooms, or swimming pools for the next 24 hours. Ensure the treated area remains covered and stay well-hydrated to maximise the benefits of this exceptional healing journey.

EDEN HEALING TREATMENTS

KINESIOLOGY

🕒 85 MIN | \$300

Kinesiology is the science of movement and is one of the leading therapies for effective health and stress management. All types of kinesiology, including traditional and neuro-linguistic programming (NLP) kinesiology, have their basis in muscle testing and are a way to identify whether a situation, activity, food, memory or substance is causing stress to the brain or body. These ailments may be corrected through powerful techniques such as bodywork, repatterning exercises, colour therapy, and more to bring you back to balance. Our amazing therapists tailor this gentle treatment to suit your body's specific needs.

NERVOUS SYSTEM REJUVENATION

🕒 85 MIN | \$300

In a world of hustle, burnout and disconnect, this modality is a deep nervous system tonic that supports replenishment, renewal and alignment. Using a combination of somatic touch, craniosacral therapy, guided breath and gentle movement, our therapist collaborates with you to help bring regulation back to your autonomic nervous system. This type of touch is vastly different from traditional bodywork and can be profoundly useful to help your physiology resolve and release chronic stress and trauma held in your body, allowing you to reset your nervous system toward safety. Sessions can vary as to how they unfold - we will be present where you are in that moment, allowing the session to flow organically and safely, specific to your needs.

EDEN HEALING TREATMENTS

ALOHA HEALING

🕒 85 MIN | \$400

Experience a powerful, deeply honouring, and connective healing experience that aligns your physical body to your highest self. Our trained healer shares the love, spirit, and wisdom of the land of Hawaii to facilitate healing in your body and life by working intuitively and closely with the heartbeat of the earth to address illness, generational trauma, stress, pain, grief, and heartache. This session is perfect to support the guest who is in transition and gain a deep sense of clarity, connection and direction.

LŌKAHI RITUAL EXPERIENCE

🕒 110 MIN | \$550

An immersive, balancing and transformational ritual using traditional curative practices combined with the natural healing essences of Eden. This nature-inspired ritual experience draws on ancient healing traditions practiced for generations to aid in the discovery of your truth, feeling at peace and in unity with yourself (and your environment). Rachele uses an integrative blend of modalities, ho'oponopono (the Hawaiian practice of reconciliation and forgiveness), sound healing, and Australian native vibrational essences to shed old patterns for deep, subtle body healing. A three-part ritual including intention, purification, and integration to harmonise, balance, and transform the body's energy processes to restore physical, mental, and emotional health.

CLEANSE your body from toxins

\$895

Indulge in the embodiment of detoxification and rejuvenation with our luxurious Cleanse Package. Rid your colon of excess waste and toxins that can accumulate in the body over time with our Colon Hydrotherapy Session. Later in your stay, unwind as you enjoy an invigorating Abdominal Massage, specially tailored to alleviate bloat, release stress and tension, and promote healthy digestion. Immerse yourself in sheer indulgence with our 55-minute Aromatic Salt Glow treatment. Let your stress melt away as your skin is buffed with a blend of mineral salts and warm fragrant oil to remove dead skin cells. The salts and oils are then removed with therapeutic hot towelling to reveal fresh, invigorated skin, finishing with an organic full-body hydration.

For a truly holistic approach to wellness, engage in a personalised Lifestyle Session with our expert trainers. Choose from a private Personal Training, Yoga, or Personalised Pilates session. These sessions are individually tailored to suit your preferences, needs and fitness levels. Your Eden Cleanse experience doesn't end there. You will be gifted a detox hamper allowing you to continue your detox journey in the comfort of your own home.
